One of the standout features of Ricoh Ink Products is their low odor. This makes them ideal for use in indoor settings, such as offices or print shops, where strong chemical odors could be a concern. Each bottle of Ricoh Ink contains 1 liter of ink, providing plenty of ink for even the most demanding printing projects. And with a storage life of 1 year, you can be confident that your ink will remain fresh and usable for an extended period of time. Whether you're printing marketing materials, product labels, or other important documents, Ricoh Ink Products provide the vibrant colors and sharp details that your projects need to stand out. So if you're looking for a reliable and high-quality ink for your Ricoh Ink Printer, consider Ricoh Ink Products. With their low odor, large volume, and long storage life, they're the perfect choice for any printing project.
