Basic Information

- Place of Origin: China
- Brand Name: Tucai
- Minimum Order Quantity: 1 bottle
- Price: \$/7/bottle
- Payment Terms: L/C, D/A, D/P, T/T, Western Union

Product Specification

- Type: Solvent-based
- Evaporation Rate: Slow
- Ph: Neutral
- Color: Clear
- Suitable Printhead: Epson DX5/ DX6/ DX7/ DX10/ XP600/ TX800
- Viscosity: Low
- Odor: Mild
- Compatibility: Compatible With Most Solvent-based Inks
- Highlight: **Low Odor Ink Cleaning Fluid,
Outdoor Photo Machine Cleaning Fluid,
Weak Solvent Ink Cleaning Fluid**

Product Description

Product Description:

Our Solvent Based Ink Cleaning Solution is designed to be stored in a cool, dry place, ensuring that it stays fresh and effective for longer periods of time. Its slow evaporation rate ensures that it does not dry out quickly, allowing you to use it for multiple cleaning sessions. Our Solvent Ink Cleaner is suitable for use with a variety of printheads, including Epson DX5, DX6, DX7, DX10, XP600, and TX800, making it a versatile choice for any printing job you may have.

With a high flash point, our Solvent Ink Cleaning Solution is safe to use and handle, making it an ideal choice for any printing environment. Our Solvent Ink Cleaner is easy to use, simply apply it to a clean cloth and wipe the printhead until it is clean.

Our Solvent Ink Cleaner is an essential part of any printing operation, making it easy to maintain your printer and ensure that it is always performing at its best. With our Solvent Based Ink Cleaning Solution, you can be sure that your printer will always be in top condition, producing high-quality prints every time.
